Born in Ice Born In trilogy 2 by Nora Roberts Goodreads

Really not anticipating on reading the second novel of the Born In Trilogy, I found myself wondering just how the time jumped to 4am and I already half way through Born in Ice. Surprised at my inconsistency of taste, I enjoyably sped through Born in Ice although I didn't care much for Born in Fire, the first of the series starring Rogan Sweeny and Maggie Concannon.By no means a challenging and lofty piece of literature, Roberts uses the same template for Born in Ice as she did for Born in Fire.
