[English Language Arts Standards | Common Core State ...](#)

The Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects (the standards) represent the next generation of K-12 standards designed to prepare all students for success in college, career, and life by the time they graduate from high school.

[Common Core State Standards - Education.com](#)

The Common Core State Standards describe learning goals for each grade level in math and English language arts, with a focus on preparing students for college and the real world. The standards were developed by a group of state education chiefs and governors with help from teachers and curriculum experts. Forty-three states have adopted the standards and are currently implementing them in
