[Review: Private Equity, Direct Investing, Fund Investing ...](#)

Fund investing is when an investor goes to a private equity fund and the private equity fund buys companies on the investor's behalf. Co-investing is the most complicated option. For example, an investor invests \$50 million in a private equity fund with co-investment rights, meaning that when the fund looks for opportunities it can allow the investor to participate not only through the fund, but directly as well.
