It is a 2003 Kx 125. It was laid over and ran afterward, but every time she kick started it, it got a little harder until finally now the kick start won't go down at all. The last time it started, it took several kicks, where as before the wreck it started the first kick every time. The last time it started, it ran out of gas on her and it never would start again. The wreck didn't have
